

# BASE TEN PRACTICE

★ NO-PREP WORKSHEETS ★ “I HAVE . . . WHO HAS,” ★  
and more!

# Thank you so much for downloading the Base Ten Practice Pack (FREE VERSION)!

This resource supports foundational skills for place value. This pack includes a variety of activities to help learners compose and decompose numbers into tens and ones. This is great for supporting the development of place value skills in kindergarten and first grade.

## FULL PRODUCT INCLUDES:

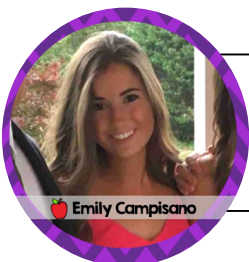

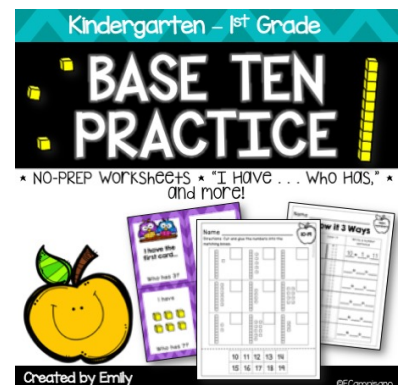

- **Flashcards:** 1-20 Base Ten Block Flashcards
- **Build It Mat:** tens & ones with number cards (1-20) in color & BW
