Super Shamrocks Roll & Read

digraphs ch, th, sh, wh, ck and short vowels

1	2	3	4	5	6
shot	chin	with	shin	shut	pick
lick	ship	dish	bath	back	whip
wish	rush	hush	rash	cash	path
mash	moth	shed	chip	chat	dash
shop	sock	fish	mash	chop	lock

Players take turns rolling a die and reading a word in the corresponding column. If the word is read correctly a marker is put on the word. If the word is read incorrectly it is the next player's turn. The first player to get four words in a row wins.

This freebie includes 1 roll and read game focusing on digraphs ch, sh, th, wh and ck

This game is optimal for 2 players, but can be played with 3 or 4, although it will be harder to get 4 in a row. Each player will need a different set of markers (colored chips, pieces of paper, small erasers, colored beans, etc.) You will also need a die.

This is a great game to use in the classroom, as well as to send home for extra practice!
